PRIVACY POLICY

You can visit animalnaturopathtraining.co.nz without providing any personal details. However, in order to send us a message, we will have to collect some information about you so we can respond. We respect your privacy and your concerns about how the information you provide might be used. The personal information we receive from our students is kept private. We do not sell or share this information with anyone unless required by law.

The information you provide belongs to you and you have the right to alter it or have it deleted at any time. Please send us this request and we will be in contact.

TERMS & CONDITIONS

The student is provided with comprehensive study and supportive texts, on-line forums, regular work assessments and individual mentoring. Study time includes reading books, completing assignments, engaging in experiential learning, case studies assessments and obtaining the necessary practical skills.

The 'Bach Flower for Animals' student is permitted to undertake case studies with family or friends' companion animals from the commencement of studies. We believe hands-on learning is the best method for progress.

At the completion of Module Six the Student may undertake case studies with the wider community but must declare they are still students under supervision.

At the successful completion of the Bach Flowers for Animals Course a Certificate will be issued.

The student may withdraw from the course prior to its commencement or within 7 days of the commencement of the Course. Students are eligible for a fee refund, less 10% administration fee. After this period no refund of course fees is payable.

Declaration:

I declare to the best of my knowledge all the information supplied on, and with, this Application is true and complete. I agree to abide by the conditions described above.
